Enterprise Employee Recognition & Rewards Inside Facebook Workplace

We get it: your staff doesn't want more websites to visit nor more things to do. When a member of your staff thinks "I want to recognize someone," they should be able to do so in as few steps as possible. That's the beauty of Recognize inside Facebook Workplace.

Staff Recognize Colleagues by Posting on Workplace

- + Tag RecognizeBot in a post to create a new recognition
- + Recognize will ask follow up questions in Workplace Chat to pick the badge

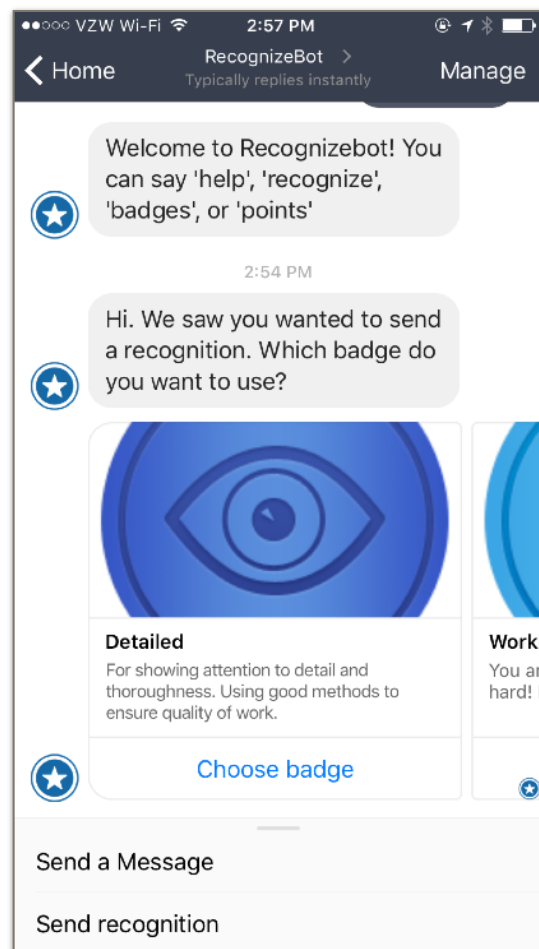

Sending Recognition Is As Easy As Chatting on Workplace *

- + Staff can send employee recognition through tagging or chatting with RecognizeBot
- + RecognizeBot integrates directly into Workplace Chat
- + In Workplace Chat, a link to send recognition is always visible at the bottom of the screen

* Available on both desktop & mobile

Choose Recognition Badges in Workplace Chat

- + Different roles can send different badges highlight important qualities endorsed by your company
- + Admins add sending limits to recognitions

Recognitions Are Attached As Comments in Workplace

- + Promote recipients by showcasing their recognitions
- + Easily link to that recognition's page in Recognize
- + Comments elevate the status of posts

Integrate with Other Services to Send Recognitions to Workplace

- + Post recognitions sent from Microsoft Outlook in Facebook Workplace
- + Drive users to Facebook Workplace from other tools you use
- + Users can also send recognitions from mobile, intranet, and more
